Covid 19 update

As the government takes measures to minimise and isolate cases of corona virus, it is important Bowls Wellington, clubs and their members remain especially vigilant.

At this stage no decision has been made as to the cancellation or postponement of any Bowls Wellington events. The government has placed restrictions on large gatherings and events, however given the relative size, this is unlikely to impact club and centre events at this stage.

In saying that, the situation is extremely fluid and can change quickly. Please ensure good hygiene habits are followed, including washing your hands thoroughly, coughing into your elbow, and importantly staying away and seeking medical advice should you feel unwell.

According to the Ministry of Health, with vigilance the possibility of a community outbreak remains low. Please continue to follow the advice and recommendations from the Ministry of Health. <https://www.health.govt.nz/our-work/diseases-and-conditions/covid-19-novel-coronavirus>.

Bowls Wellington will continue to assess the situation and communicate with clubs and the community should the situation change.
