Annual General Meeting Minutes

23rd August 2022

At Pelorus Trust House

Present

- Board:** Susan Way (Chair), Dayle Jackson (President), Jason Puddick, Rod Leitch, Gerry MacGregor (Life Member) and Sharman Buckle.
- Clubs:** Eastbourne, Hutt, Island Bay, Johnsonville, Karori, Khandallah, Lyall Bay, Massey Avenue, Miramar, Naenae, Petone Central, Plimmerton, Seatoun, Silverstream, Stokes Valley, Tawa Services, Titahi Bay, Upper Hutt, Victoria, Wainuiomata, Whitby, Wilton
- In Attendance:** Blake Signal (General Manager), Trevor McComish (Life Member), Richard Morgan (Guest).

The meeting commenced at 7.50 p.m.

1. Welcome and Apologies

The Chair welcomed everyone to the meeting.

Apologies were received from John Carter (Life Member), Don McMurray (Life Member), John Harvey (Life Member), Wendy Mackie (Women's Selector), Glen Coshin (Whitby).

2. Obituaries

The obituaries had been noted in the Delegates' meeting preceding the Annual General Meeting, and a minute's silence observed for Terry Lynch (Naenae), Graham Musgrave (Hutt), Dorothy Pickston (Plimmerton), Sheryl Levy (Plimmerton), Judith Forster (Massey Avenue), Dennis Marshall (Wilton), Mary Logan (Wainuiomata), Anne Zouch (Johnsonville).

3. Confirmation of Minutes of 2020-21 Annual General Meeting

It was resolved an amendment to the minutes from 2020-21 to include Don McMurray (Life Member) in the apologies as he was not added in minutes.

**Naenae / Johnsonville
Action: General Manager**

There were no matters arising.

4. Presentation of Annual Report (2021-2022)

There was a slight adjustment to be made with regard to the National Pairs Title won by Seamus Curtin which will be amended.

Annual Report was taken as read and no comment made by those attending.:

5. Presentation of Annual Financial Report 2020-2021

The General Manager said that Shayne O'Hagan of Small Business Accounting had reviewed the Annual Financial Statements.

It was noted that Bowls Wellington had another surplus for the year and this was even after missing a round of funding due to the vacant General Managers position.

A question was asked from the floor in regards to the sustainability of funding from grants. The chair said that as we have seen an increase in funding from grant over the last 3 years that this was likely for the short term but unsure of any longer-term consequences.

The floor once again asked if Bowls Wellington had been seeking any private entity for a major financial partnership to help sure up finances moving forward. The General Manager explained that part of his position was to look into this and would be seeking out new partnerships in the future. It was asked if anyone on the floor knew of potential possibilities to please be forthcoming to Bowls Wellington with the information.

The floor asked if there was a financial strategy moving forward forecasting future expenses and incomes. The Chair explained we had potentially 2 new board members with sound financial experience who would help the General Manager with this moving forward. The Chair explained that the Board worked formulating and adopting a new Strategic plan and the financial work was the next area that the board will be undertaking with the new General Manger.

It was asked of the impact the new Incorporated societies changes would bring to Bowls Wellington. We would be getting guidance from Bowls New Zealand on this matter. There is a 2-year warming period with the changes, so plenty of time to form a plan.

It was resolved that the Annual Report and Financial Statements for 2021-22 be accepted.

Naenae / Stokes Valley

6. Election of President and Vice-President

Miramar had nominated Dayle Jackson as President of Bowls Wellington. No other nominations had been received. Therefore, Dayle was re-elected unopposed.

Johnsonville had nominated Phil Todd as Vice-President of Bowls Wellington. No other nominations had been received. Therefore, Phil was elected unopposed.

7. Appointment of Board Members

On the recommendation of the Selection Panel, **it was resolved** that Jason Puddick (Stokes Valley) and Rod Leitch be reappointed and retain their position on the board. This was unopposed.

Gerry MacGregor (Life Member) was stepping down from the board and was thanked for his service to the board and Bowls Wellington.

Wilton had nominated Barry Jordan to the Board of Bowls Wellington. No other nominations had been received. Therefore, Barry was appointed unopposed and will replace Gerry MacGregor (Life Member)

8. Bowls Wellington Affiliation Fee

The Board recommended that the capitation fee be increased by 4.9% for the coming 2022-23 season, in keeping with the increase approved by Bowls New Zealand. This is based on membership fees as at 31 December 2018, and as per the affiliation model.

It was noted that CPI at 31 March 2022 was 6.9%

The floor discussed over why Bowls Wellington had taken on the Bowls New Zealand model and not use the old system of current memberships which seemed fairer to the club that had lost memberships since 2018. The Chair explained that current system was in place to encourage clubs to put programs in place to help grow membership in their clubs. Karori noted how the system works best for them as they have increased numbers over the time frame. The Chair explained that the framework for affiliation fees was voted in favour of by clubs about 3 years ago.

The motion was put to a vote in which it was voted in favour of the change.

For:	30
Against:	13

9. Appointment of Financial Reviewer

It was resolved that the services of Shayne O'Hagan of Small Business Accounting Mana be retained as Financial Reviewer.

Susan Way / Petone Central

It was asked from the floor if the new change with Incorporated societies act would this affect this reviewer. As there is sufficient lead in time to the new act, we would seek guidance on this.

10. Appointment of Board Selection Panel

It was agreed that the Board appoint the Delegates' representative on the Board Selection Panel.

11. General Business

11.1 Reinstatement of Bowls New Zealand Division 2 Competition

Victoria asked the feeling of the floor about reinstating the National Division 2 Interclub competition for the health of the sport and encouraging smaller clubs to keep players. He broke up the discussion to 3 points

1. Encourages participation in a meaningful competition

2. Clubs not quite up to Premier (Division1) level had a national competition they could compete for giving a new breed of bowler a chance to win a national event
 3. Stop clubs from poaching players and helps smaller clubs retain new members
- Victoria asked that this be taken to bowls New Zealand and submitted as a remit for the AGM

Jason Puddick (Board Member) spoke about this not necessarily being a Bowls New Zealand issue and more an issue to how Bowls Wellington run interclub in the region, limiting the teams that can play in Division 1 National Interclub.

It was agreed that the General Manager would enquire more about this with Bowls New Zealand and the Bowls Wellington Board while Delegates would discuss this with their club's committee's and this would become an Agenda item for the next delegates meeting on Tuesday 1st November 2022.

What support does Bowls Wellington Offer Clubs

Karori talked about their positive outcomes with membership and community focussed bowls events and how the club has turned itself around from the brink of closing. It was asked was there something bowls Wellington could do to help clubs connect and share information that works for each of them. The General Manager spoke to how he is planning to visit all clubs in his first 3 months and will discuss these ideas with clubs. Jason Puddick (Board Member) also spoke to how during the appointment of the General Manager it was made clear that working with clubs would be a major focus of the position.

Thanks to Gerry MacGregor

The Chair officially thanked Gerry for his time on the board and his experience and expertise that he has shared with Bowl Wellington.

12. 2023 Annual General Meeting Date

The 2023. Annual General Meeting will be held on Tuesday, 22 August 2023.

The meeting concluded at 9.08 p.m.

Minutes confirmed as a true and correct record:

President's Report 2022 -2023 Season

Bowls Wellington welcomed Blake Signal as our new Business Manager and many new initiatives appeared during the season.

The Wellington Clubs have been encouraged to be more involved in the Bowls Wellington Program with 22 clubs out of 24 playing Pennants and all 24 clubs involved in Interclub. Club individuals made up over 1000 entries into the Open events, then clubs' teams representing themselves and Wellington at the National Bowls3Five, Champion of Champions and PBA Tournaments.

The Club Executives have completed a Club Health Check for Bowls Wellington and had a visit from Bowls New Zealand discussing club policies. The Club members are the to be thanked for their diligence, enthusiasm, and community involvement to this wonderful game. The club programs are becoming more varied, and all are working towards providing opportunities for players both old and young. The resurgence of Wainuiomata and Karori are a fine example of developing an awareness of our sport in the community.

As bowlers we have had the opportunity to see the World Bowls Champion of Champions Singles Championship at Naenae or on YouTube. The initiative of Bowls Wellington to stream our local events, when possible, New Zealand Championships and the Commonwealth games has meant bringing bowls into your home and enjoying those special moments, such as Nicole Toomey winning her Commonwealth Games Medals, and watching your own club bowlers in action.

The Men's Intercentre team winning the competition this year was a highlight and we congratulate the team members and their coach & management team. The Ladies' team were quarter finalists. During their preparation period both teams, including Juniors and Masters won their lower North Island competitions. Wendy Mackie and Leonie Gough, have done some fantastic work over the past six years as the Ladies Representative Management Group and I thank You for your time and effort. Mike Carrol is a member of the Bowls New Zealand high performance team at worked at the Commonwealth Games as the Men's Manager and will be heading to Australia soon to manage at World Bowls Championships.

The development of the Secondary School Program led by Brady Amer and joined by Hamish Ryan has increased participation in this area. We are starting to see the benefits of this filter through and will it will only be good for the sport in the future. The major Secondary School's tournaments had a very full program followed by a strong representative selection who won their lower North Island Tournament. Five of these players went onto represent Wellington in

the inaugural National U26 Tournament set up by Bowls Wellington. Jordan Keene, Jayden Burns, and James MacMillan played well at the National U21 tournament played in Auckland, with a Bronze for both Jordan and James.

The Umpires this year were able to fill their commitments to all events but there is a need for Clubs to encourage more umpires, even from their nonplaying members so there is no difficulty meeting all the requirements. The introduction of a new process of draws, receiving results and post section outcomes has meant players are able to receive information earlier. The World Bowls Tournament meant that the local umpires were selected to participate as officials. We now have four International Technical Officials, and we congratulate Michael Johnson on being the ITO leader for the World Bowls Champion of Champion Singles, Sue Way at the Commonwealth Games, and Michael, Sue, and David Burrage appointed to the World Bowls later in the Year. Paul Hassall has been recently appointed as an International Umpire also.

Many Wellington players are playing in National Tournaments during the season and this year Lisa White won her first New Zealand title in the Mixed Pairs. Clare Hendra also was successful in the National Pairs, while other players from Wellington made Finals in these events.

24 members from Bowls Wellington Clubs participated in the Bowls New Zealand coaching course which was put on free by Bowls Wellington. The Bowls Wellington Supporters' Club continues to draw players in, and all members are now proud owners of a scarf, T Shirt and Beanie.

We had the following players representing New Zealand in several events this season:
Nicole Toomey and Andrew Kelly (Commonwealth Games)
Nicole Toomey, Ray Martin, Clare Hendra, Andrew Kelly, Lance Pascoe (Multi Nations)
Seamus Curtin, Finbar McGuigan, (U26) Oceania Challenge
Lisa White (NZ Māori) – Oceania Challenge
Clare Hendra – PBA – New Zealand representative to England
As well as a host of players who represented their countries in the Oceania Challenge.

Many Wellington players headed to the Australian Open – Dale Rayner's team reached the Fours semi-final.

Nicole Toomer was a finalist in the Hutt Valley Sport Awards.

A special thank you to the Bowls Wellington Greenkeepers Association for their diligent work with all Clubs.

The Bowls Wellington Executive led by Chairwoman Sue Way have continued to look forward and support the programs and make informed decisions for the continued development of Bowls Wellington. Thank you for your hard work and dedication.

We lost from our sport several well-known Wellington Bowls stalwarts:

Keith Johnson, Badge 1895 - Tawa, International Umpire, Life Member of Bowls Wellington Umpires

George Benvenuti, Naenae -15 Wellington titles and Three Gold Stars

Peter Nixon, Badge 4713 – Tawa- Bowls Wellington Umpires' Treasurer 10 years

We thank the Office Staff- Blake Signal, Ross Gillett, Brady Amer and Hamish Ryan for the outstanding work and initiatives throughout the season. "A team working together." I look forward to seeing what the future hold.

Dayle Jackson

President

Bowls Wellington

Bowls Wellington Board Chair Annual Report 2022-2023

Thanks to the Board of Bowls Wellington, Dayle Jackson (President), Phil Todd (Vice President, Finance), Rod Leitch (High Performance), Sharman Buckle (Rangatahi), Jason Puddick (Junior High Performance) and Barry Jordan (Finance) for your work on the Board. Each member has a portfolio where we have seen growth and change. Thanks for your dedication. We have had many robust discussions before making decisions, we have not always had the same opinion but we have all stood by the decisions we as a Board have made. It has been great to be part of this team of dedicated people.

This season saw Blake take up the role as General Manager just before the Centre AGM. Ross Gillett's brilliant work in the office meant Blake could hit the ground running as Ross had everything up to date and had done a huge amount of forward planning for the season. Over the first 3 months I spent time with Blake slowly handing over control of Finances, payroll, Website which I had taken over when Nigel Dixon Resigned.

Blake has fully bedded into the General Manager's role and is now stamping his mark and enthusiasm into the Centre. I am sure we will see more of Blake's ideas in the coming seasons.

Ross has been the rock in the office making sure Tournaments have been planned, and executed the best we can possibly do. The huge amount of planning and admin that goes into getting all our tournaments completed is quite substantial. Ross has started building a new Tournament Managers group so we are no longer reliant on one person, but can have a team who hold the knowledge and can run our tournaments.

Brady has been busy with the rolling with Rangatahi program and under 25 representative initiatives, as a Board, we have enjoyed seeing the program grow and become the most sought after Rangatahi/youth program in New Zealand.

Barry and Phil joined the Board at AGM last year and have managed to look at our finances, what we are doing, and what we could do better. They have worked with our GM on a Budget for the coming season so there will be a more proactive approach to finance. We are still gaining most of our operating expenses from grants.

We have great clubs who each have their own challenges. As a Centre we rely on our clubs, greens, facilities, and members whom we supply the next level events and support to. Bowls Wellington are committed to supporting the Wellington Clubs and implementing some new initiatives as well as the tried and tested to engage our members of all ages and bring them together to enjoy the social and competitive side of the sport we love.

I will be standing down as Board Chair after the AGM. I took over as Board Chair in October 2019 and it has been full on 4 years. 2 new GMs, No GM for 4 months, Covid, lockdowns, judicial enquiry, new strategic plan, and the hunt for a new board member who had significant financial experience to guide the Centre through the next phase. I have enjoyed the role.

Sue Way

Board Chair

Bowls Wellington

General Managers Annual Report 2022 -23

Firstly, I would like to acknowledge and thank the Board, Staff, Clubs, and Members of Bowls Wellington for their welcome and acceptance of me in the position of General Manager. It has been an exciting time for me to come back to Wellington and help run the sport I love and have a huge passion for. I have been excited to see the potential within the region for the sport and love seeing how vibrant, friendly, and passionate our community are about bowls and our members.

Numbers participating in our tournaments seems to be increasing each year with two events this season eclipsing figures from 12 years' worth of data. A huge effort was put in by our Competitions Manger, Ross Gillett to make sure our events were well organised and able to run smoothly for our Tournament Managers. With the loss of Gerry MacGregor running our events as Tournament Manager we were fortunate to have a small team of volunteers help this season. A big thanks to Sue Way, Ron Wood, and Steve Crowhurst who have been instrumental in our delivery of events this season. We hope they continue to help, but we are always happy to have more volunteers assist in this area and if you know of anyone, please let us know.

Champion of Champions' weekend has become bigger and better with each passing year and this year we saw a fantastic event which had 9 different clubs taking out the ten titles available on the weekend. A feat I would be surprised has been done before. There was excitement aplenty as there were 6 finals that came down to the last end showing the competitiveness between the clubs in Wellington is alive and well.

Our representative program this year was extremely busy. With catch-up events from last season's Covid-19 affected competitions we saw our representative teams compete in two National Finals. In October we were narrowly placed second in both the Men's and Ladies competitions. In March we finally saw our Men's side win the National Inter-Centre for just the third time. The ladies were knocked out in the quarter-final of their event by eventual winners Nelson. With a host of trophies won over the season by all representative players, we can rest assured that Bowls Wellington is well represented.

Bowls Wellington continues its work with Nuku Ora and the Tū Manawa Active Aotearoa Fund for the position of an Engagement and Inclusivity Officer. This funding was re-approved and we were able to keep Brady Amer employed to run our work with young people that introduces them to the sport of bowls. Brady has increased participation and engagement with our Rangatahi in bowls throughout the Wellington region and is working hard on introducing more players with Physical and Mental disabilities with help from the Halberg foundation and Special Olympic New Zealand. Brady has been so busy with his work in these areas Nuku Ora allowed us to include a casual staff member to help with the youth and inclusivity programs we now run. Hamish Ryan joined our team in February and has been a great inclusion to these programs. With numbers sitting in the thousands for the season we know this growth in participation will have a flow on effect in our sport.

Operationally Bowls Wellington has been running smoothly, and through the work of our finance team on the board we have been able to set up and implement a more accurate budget to work to. We have been able to update and maintain our equipment at the office to help us keep things running smoothly. We have tried to implement some new initiatives to help clubs this season and will continue to work with clubs into the future to help keep our game strong.

Thanks to Clubs, players, umpires, greenkeepers, commercial and funding partners, sponsors, friends, supporters, and our community for the support you have given me over the season. I am excited about our opportunities for growth in our sport for the future and look forward to working for you.

WELLINGTON EVENTS

2022-23 SEASON

Bowls Wellington

Season Review 2022-23

Community

Bowls Wellington continues to deliver a valuable community service by building resilient and connected communities through the sport of lawn bowls. In particular, by improving the health and wellbeing of Wellingtonians and mitigating social issues such as lack of sense, loneliness, elderly isolation while promoting diversity and cross-generational communication, we add social value beyond the game itself. Bowls Wellington supports our 24 community bowling clubs through governance, sport development and provides quality recreational opportunities for people of all backgrounds, ethnicity, age and physical ability.

Representative

The Wellington Men's and Women's Representative sides had successful seasons in the Senior, Junior and Masters teams with winning a majority of their events during the season. The highlight being the Men's Open side winning the National Inter-Centre event for just the third time in history. Our players continue to win national competitions regularly as well as competing in international events and performing well.

By the Numbers

1,600+ Club Members, 1,500+ Youth trying the sport, 150+ Youth playing in competitions, 16,000 casual players, 30+ events for players to participate in, 14 players competing in international teams, 4 National Titles Won.

2022-23 Commercial Partners

2022-23 Funders
