

Life Membership - Gerry Macgregor - 2019

Just where would we be without Gerry, a superb volunteer. A man with a purpose about bowls and one who really enjoys what he does.

It all began in 1995 when he became a member of his local club Johnsonville. He was a good bowler winning several club events and with partner Len Bryant won a 1 -7-year Pairs Centre title in 2000.

His club recognised his invaluable skill and Gerry soon became Johnsonville's President in 1999. He moved onto the Bowls Wellington Executive whilst still being a committed member of his club. His Bowls Wellington experiences were always helpful to the Johnsonville and many others.

This man wanted to understand bowls and its administration so he worked tirelessly on the Executive involved in the centennial year, Tournament & Operation committees, Secondary Schools, Tournament Controller, and was quick to use computer links to members with results and information, a Bowls Wellington delegate to Bowls New Zealand, Bowls Wellington President, and continues today on the Executive and as you all know as an efficient and practical organiser.

Bowls Wellington and Johnsonville have been fortunate to have Gerry who likes to get a job done with little fuss and acclamation.

Participation Record
