

### **Life Membership - Trevor McComish - 2020**

As your President I wish to nominate Trevor McComish as a Life Member of Bowls Wellington

Trevor joined the bowling world in 1991 as a member of the Terawhiti Bowling Club in Karori and was a member until the club closed in 2017 when he Retired and joined Island Bay Bowling Club where he is still a member and player.

Not only winning several club titles he was President of Terawhiti. He also held a most important position in the club being Bar Manager for five years. " Who would argue with an Army Officer."

In 1998 the Men's and Women's Centres were amalgamated into Bowls Wellington, Trevor was an Executive member and the chairman of Bowls Wellington Board. He continued to be Terawhiti Delegate. He became Vice President of the Centre.

Trevor was appointed as a Regional Adviser to Bowls Wellington, Vice President of Bowls New Zealand and was their President for four years.

In 2015 he was the Chairman of the World Bowls organising committee on behalf of World Bowls Blind and Disabled International. The Naenae and Hutt Clubs were the host clubs.

Trevor has also been a member of the Jury of Bowls New Zealand Tournament of Appeal.

However, one of his greatest success for Wellington and consequently New Zealand Trevor was instrumental working closely with College Sport devoting time and energy to developing a Secondary School competition. This was the first school competition in the country.

As I have outlines Trevor has served his club, the Centre and Bowls New Zealand with great credit and within all that has made a major contribution to Bowls Wellington and it gives me great pleasure to nominate Trevor McComish as a Life Member of Bowls Wellington.

Dayle Jackson
